Product data sheet

- | | |
|---|----------------------------------|
| • Size | 8 |
| • Design | for tie rods |
| • Mounting position | Any |
| • for piston | Ø125 - Ø320 |
| • Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| • LABS (PWIS) conformity | VDMA24364-B2-L |
| • Ambient temperature | -40 °C ... 120 °C |
| • Tightening torque | ≤0.5 Nm |
| • Product weight | 14 g |
| • Type of mounting | Clamped |
| • Note on materials | RoHS-compliant |
| • Housing material | Wrought aluminum alloy, anodized |
| • Material of screws | High-alloy stainless steel |
