

Inline water filter3/4 DN20Water filter

URL:<https://www.sxplc.com/inline-water-filter3-4-dn20water-filter>

Product data sheet

filter

principle

filter screen

purpose

water

style

vertical

performance

Efficient filtration

Applicable objects

water

Applicable Object Nature

Weak corrosiveness

Filter material type

Stainless steel filter screen

Filter type

Tubular

Main material

plastic

Applicable scope

Dyes, light industry, petroleum, water treatment

External dimensions

50□mm□

Equipment weight

1Kg
