Product data sheet

- | | |
|---|--|
| • Valve function | Exhaust air flow control non-return function |
| • Pneumatic connection 1M5 | |
| • Pneumatic connection 2M5 | |
| • Adjusting element | Slotted screw |
| • Type of mounting | Screw-in |
| • Standard nominal flow rate in flow control direction | 95 l/min |
| • Standard nominal flow rate in non-return direction | 76 l/min ... 95 l/min |
| | |
| • Operating pressure | 0.2 bar ... 10 bar |
| • Operating temperature | -10 °C ... 60 °C |
