T5-1000 Voltage, Continuity and Current Tester

URL:https://www.sxplc.com/t5-1000-voltage-continuity-and-current-tester

Product data sheet

	Specifications
Jaw opening	12.9 mm (0
Max wire size	1/0 THHN
Current range AC rms	0 to 100.
Accuracy AC current (50/60 Hz)	3% ± 3 co
AC response	Averagi
Voltage range AC/DC	0 to 100
Voltage accuracy	
ů ,	AC
	DC
Resistance range	0 to 100
Continuity beeper threshold	On at < 25 ?, off
Volts indicator LED threshold	Guaranteed on t
	Environmental Specifications
Operating temperature	-10°C to 5
Storage temperature	-30°C to 6
Humidity (without condensation)	
	0% to 95% (5°C
	0% to 75% (30°C
	0% to 45% (40°
Dust/water resistance	Yes
Operating altitude	2000 meter
Temperature coefficient	0.1 x (specified accuracy)/°
	Safety Specifications
Measurement Category	IEC 61010-2-032, IEC61010-2-033: CAT
Agency approvals	CSA, TI
Maximum voltage	1000 V between any termi

1/2
