

# Crankcase Pressure Sensor

**0035352231**

URL:<https://www.sxplc.com/crankcase-pressure-sensor-0035352231>

## Product data sheet

### Product Details

- Relays the crankcase pressure to the ECM
- Monitors the crankcase pressure to help determine when the breather filters are plugged
- Optimum crankcase operation
- MTU genuine part
- Manufactured by MTU

Build to original factory specifications
