

Filter SP-10x25

URL:<https://www.sxplc.com/filter-sp-10x25>

Product data sheet

Material	Carbon steel
Connection	Spin-on line filter
Filter element	SPX-10X25
Sample	Support
filter type	hydraulic oil filter
application area	industry, Metallurgical Industry
Filter media	Hydraulic oil, mineral oil

Micron	10 um
Pressure	100 bar
Working temperature	-20C + 200 C
Custom made	yes
function	oil purification
Filtration accuracy	1µm~100µm
Transport Package	1 Set /Case in Export Wooden Case
