

Watertight Limit Switch, 802X-A7

URL:<https://www.sxplc.com/watertight-limit-switch-802x-a7>

Product data sheet

Suitable for safety functions
Width sensor
Length of sensor
Material housing
Nominal travel to operate contacts
Torque to operate contacts, max
Mode of operation
Travel to reset contacts, max
Travel, max
Actuation type
Construction type housing

Electrical

With status indication

Continuous carrying current
Contact rating, break
Contact rating, make
Output electronic

Construction

Height of sensor

Environmental

Ambient temperature during operating
NEMA rating designation
Enclosure type rating
