## Vacuum generator VAD-3/8 19294

URL:https://www.sxplc.com/vacuum-generator-vad-3-8-19294

## **Product data sheet**

Nominal diameter of Laval nozzle
1.5 mm
Installation location
Optional
Ejector features
High vacuum degree
Structural characteristics
T-shaped
Symbol
00991482

1/3

2/3

-20 °C ... 80 °C

ambient temperature

-20 °C ... 80 °C

Installation method

With through-hole

Air interface, air port 1

G3/8

Air interface, air port 3

G3/8

Vacuum interface

G3/8

## Shell material

3/3
