

Bearing SGS-M8 9255

URL:<https://www.sxplc.com/bearing-sgs-m8-9255>

Product data sheet

Specifications

M8

Based on standards

ISO 12240-4

Corrosion resistance grade CRC

1- Low corrosion resistance

Paint Wetting Defect Substance (PWIS) Compliance

VDMA24364-B2-L

ambient temperature

-40 °C ... 150 °C

Product weight

54 g

Material Description

RoHS compliance

Outer ring material

brass

Shell material

Galvanized steel

Inner raceway material

steel

Nut material
