Product data sheet

Power: 3.0 hp

Output Speed: 23 – 78 rpm

Output Torque: 2428 – 8313 lb-in

Weight: 139 lb

NORD Helical Gearboxes impress with outstanding features:

Powerful

Our helical gearboxes provide a maximum torque of 26,000 Nm (as an Industrial Gearbox up to 282.000 Nm).

Efficient

High efficiency increases the productivity of the application.

Hygienic

NORD Helical Gearboxes have wash-down capability thanks to their smooth surfaces.

Robust

If required, we can treat NORDBLOC.1 Helical Geared Motors with nsd tupH Corrosion Protection, which also withstands aggressive cleaning agents.
