

Oil filter 7384-188

URL: <https://www.sxplc.com/oil-filter-7384-188>

Product data sheet

Product attributes

Order number

7384-188

Material

Fiberglass

Catalog number

7384-188

Cartridge form

Pleated cartridges

use

Refrigeration filters

Scope of application

filter

Eligibility

oil

type

highly efficient

Operating temperature

60°C

Maximum differential pressure at work

1.6MPa

Filtration accuracy

15

Entrance and exit paths

140mm

Raw water pressure

1.0KG/cm²

Filtration area

0.2547
