Product data sheet

Mechanical Data

Dimensions see drawing

Mounting 2 fillister head screws M4 and washer

Starting torque of mounting screws

with washer at housing flange 180 Ncm

Mechanical angles 360, continuous °

Permitted shaft loading

(axial and radial)

static or dynamic force 20 N

Torque 0.2 (IP54), 0.5 (IP65) Ncm

Maximum operational speed 120 min⁻¹

Weight 30 g
