

## High temperature switch DW- HD-613-M50-411

URL:<https://www.sxplc.com/high-temperature-switch-dw-hd-613-m50-411>

### Product data sheet

model

DW-HD-613-M50-411

input voltage

24V

output signal

twenty-four

working temperature

230°C

Minimum packaging quantity

one

application area

Electrician and Electrician

Is it a cross-border export exclusive source of goods

yes

There are authorized proprietary brands available

yes

Minimum minimum batch size

one
