

## High temperature switch DW-HD-613-M50-411

URL:https://www.sxplc.com/high-temperature-switch-dw-hd-613-m50-411

## **Product data sheet**

model	
DW-HD-613-M50-411	
input voltage	
24□V□	
output signal	
twenty-four	
working temperature	
230□°C□	

Minimum packaging quantity
one
application area
Electrician and Electrician
Is it a cross-border export exclusive source of goods
yes
There are authorized proprietary brands available
yes
Minimum minimum batch size
one
