

Solenoid coil,MSN1G-24DC-OD

URL:<https://www.sxplc.com/solenoid-coil-msn1g-24dc-od>

Product data sheet

- | |
|---|
| • Mounting position Any |
| • Min. pick-up time 10 ms |
| • Duty cycle 100% |
| • Coil characteristics 24 V DC: 2.5 W |
| • Permissible voltage fluctuations -15 % / +10 % |
| • Certification nc UL us - Recognized (OL) |
| • LABS (PWIS) conformity VDMA24364-C1-L |
| • Temperature of medium -10 °C ... 50 °C |
| • Degree of protection IP65 |
| • Ambient temperature -10 °C ... 50 °C |
| • Product weight 80 g |
| • Electrical connection 3-pin Form A as per DIN EN 175301-803 |
| • Type of mounting Clamped With retaining clamp With accessories |
| • Housing material PA |
| • Material of pin contacts Steel |

- **Material of winding** Copper
-
