Product data sheet

Maximum Applicable Motor Capacity(kW)	18.5	Voltage class	Three-phase 400V
Output Specification	Three-Phase	Output capacity(kVA)	30
Dimension height H(mm)	365	Dimension width W(mm)	254
Dimension thickness D(mm)	197	Region Code	Asia
Specifications	Standard model	Enclosure Type	NEMA Type1
Environmental Specification	Standard	MAX applicable motor capacity at light load rating(kW)	22
