

solenoid valve 614357G001106

URL: <https://www.sxplc.com/solenoid-valve-614357g001106>

Product data sheet

Function Triple-3/2 normally closed valve actuation proportional interface size 1/8 ", 1/4", 3/8 ", 1/2", 1
"valve body material aluminum, brass, stainless steel voltage 12 VDC, 24 VDC frequency 50/60 HZ
medium air, inert gas, neutral gas, oxygen working environment danger, indoor working environment 2
danger, indoor interface type G ISO228/1-G BSPP, NPTF, flange standards and regulations CE, EAC, IP65,
ATEX2 section-22
