Increased Safety Explosion-proof Plug YGC-EX5P8P

URL:https://www.sxplc.com/increased-safety-explosion-proof-plug-ygc-ex5p8p

Product data sheet

1.Shell material: high-strength aluminum alloy

2. Contact: copper alloy coated with gold

3. IP grade: IP67

4. Mechanical life: 1000 times

5. Rated voltage: 250 V

6. Maximum rated current: 16A

7. Contact resistance: ≤2mΩ

8. Voltage withstanding: AC1500V

9. Number of contacts: 8

10. Insulation resistance: ≥2000mΩ

11. Rated current: 16A
