Product data sheet

|   |                             |
|---|-----------------------------|
| product designation   | SITOR cylindrical fuse link |
| design of the product   | DC acc. to UL               |
| General technical data  |                             |
| operating class of the fuse link  | aR                          |
| size of the fuse link   | 10x38 mm                    |
| type of voltage of the operating voltage  | AC                          |
| supply voltage at DC  | 700 V                       |
| operating voltage at AC rated value   | 600 V                       |
| Dissipation   |                             |
| power loss [W]  | 2.5 W                       |
| power loss [W] for rated value of the current at AC in hot operating state per pole | 3 W                         |
| Main circuit  |                             |
| operational current rated value   | 10 A                        |
| Product details   |                             |
| product component striker   | No                          |
| Mechanical Design   |                             |
| mounting position   | Any, preferably vertical    |
| net weight  | 9 g                         |
