Product data sheet

Range of Product	Modicon TM5
Product or Component Type	Sercos III communication module
Physical interface	RJ45

Complementary

Range Compatibility	Modicon LMC078
Product Compatibility	Motion controller
Integrated connection type	Ethernet/IP, 2 RJ45 connectors Sercos, 100 Mbit/s
Current consumption	350 mA 5 V DC, base
Device composition	Interface module Bus base ordered separately Power supply ordered separately Terminal block ordered separately
Maximum power dissipation in W	1.75 W
Color	White
Local signalling	1 LED green/red STAT 1 LED green/red Sercos III 1 LED green Sercos III port 1 1 LED green Sercos III port 2
