safety relay 774318

URL:https://www.sxplc.com/safety-relay-774318

Product data sheet

Operating temperature	-20...55ºC
Electrical connection	screw terminals
Safety category	2, 4 (EN ISO 13849)
IP rating	IP40
Contacts electrical parameters	24V DC / 6A
Input 1 properties	2 channels with or without between-channels short circuit detection
Safety switches features	controlled or automatic start-up
